

**INDIAN HILLS GENERAL IMPROVEMENT DISTRICT  
NOTICE OF PUBLIC HEARING  
TO AMEND THE MONTHLY SERVICE FEES  
CHARGED FOR SEWER SERVICE PROVIDED BY  
THE INDIAN HILLS G.I.D.**

PLEASE TAKE NOTICE that at the Board Meeting of Wednesday March 21, 2012 at 6:00 P.M., the Board of Trustees of the District will hold a Public Hearing to consider adoption of a Resolution amending the current sewer service rate flat fee charged by the District. The Public Hearing will be held at the IHGID Boardroom, 3394 James Lee Park Rd. #A, Carson City, NV 89705. The public is invited to attend the March 21, 2012 Board of Trustees meeting where the Board will discuss the sewer rate flat fee. Public comment is also invited in person at the scheduled Public Hearing.

The current fees for sewer service provided by the District have been unchanged since 2009. IHGID has obtained a loan from USDA-Rural Development utilities programs for the purpose of financing a sewer plant infrastructure upgrade project to meet the present and future needs of the waste water demands of the IHGID service area. The intent of the Board at the March 21, 2012 Public Hearing is that a new fee schedule be adopted which reflects the necessary requirements for the USDA loan and to fund future infrastructure improvements.

The Board is considering action to increase the existing monthly sewer charge of \$28.69 (flat rate) to \$32.69 (flat rate) a month for residential customers. Commercial establishments which discharge a residential-equivalent standard wastewater quality will be charged a flat rate of \$32.69 per EDU per month of sewer service. Both residential and commercial customer rates may be reviewed for possible changes each year by the Board of Trustees.

Please direct questions to the District office at 775-267-2805.
